FOBO TIRE 2 APP ALLOWS YOU TO SEND LOG FILE (IN EXCEL FORMAT) WHICH LET YOU HAVE A LOOK ON YOUR VEHICLE TIRE PRESSURE & TEMPERATURE HISTORICAL DATA.

Use "Feedback" Option in the App to send log file

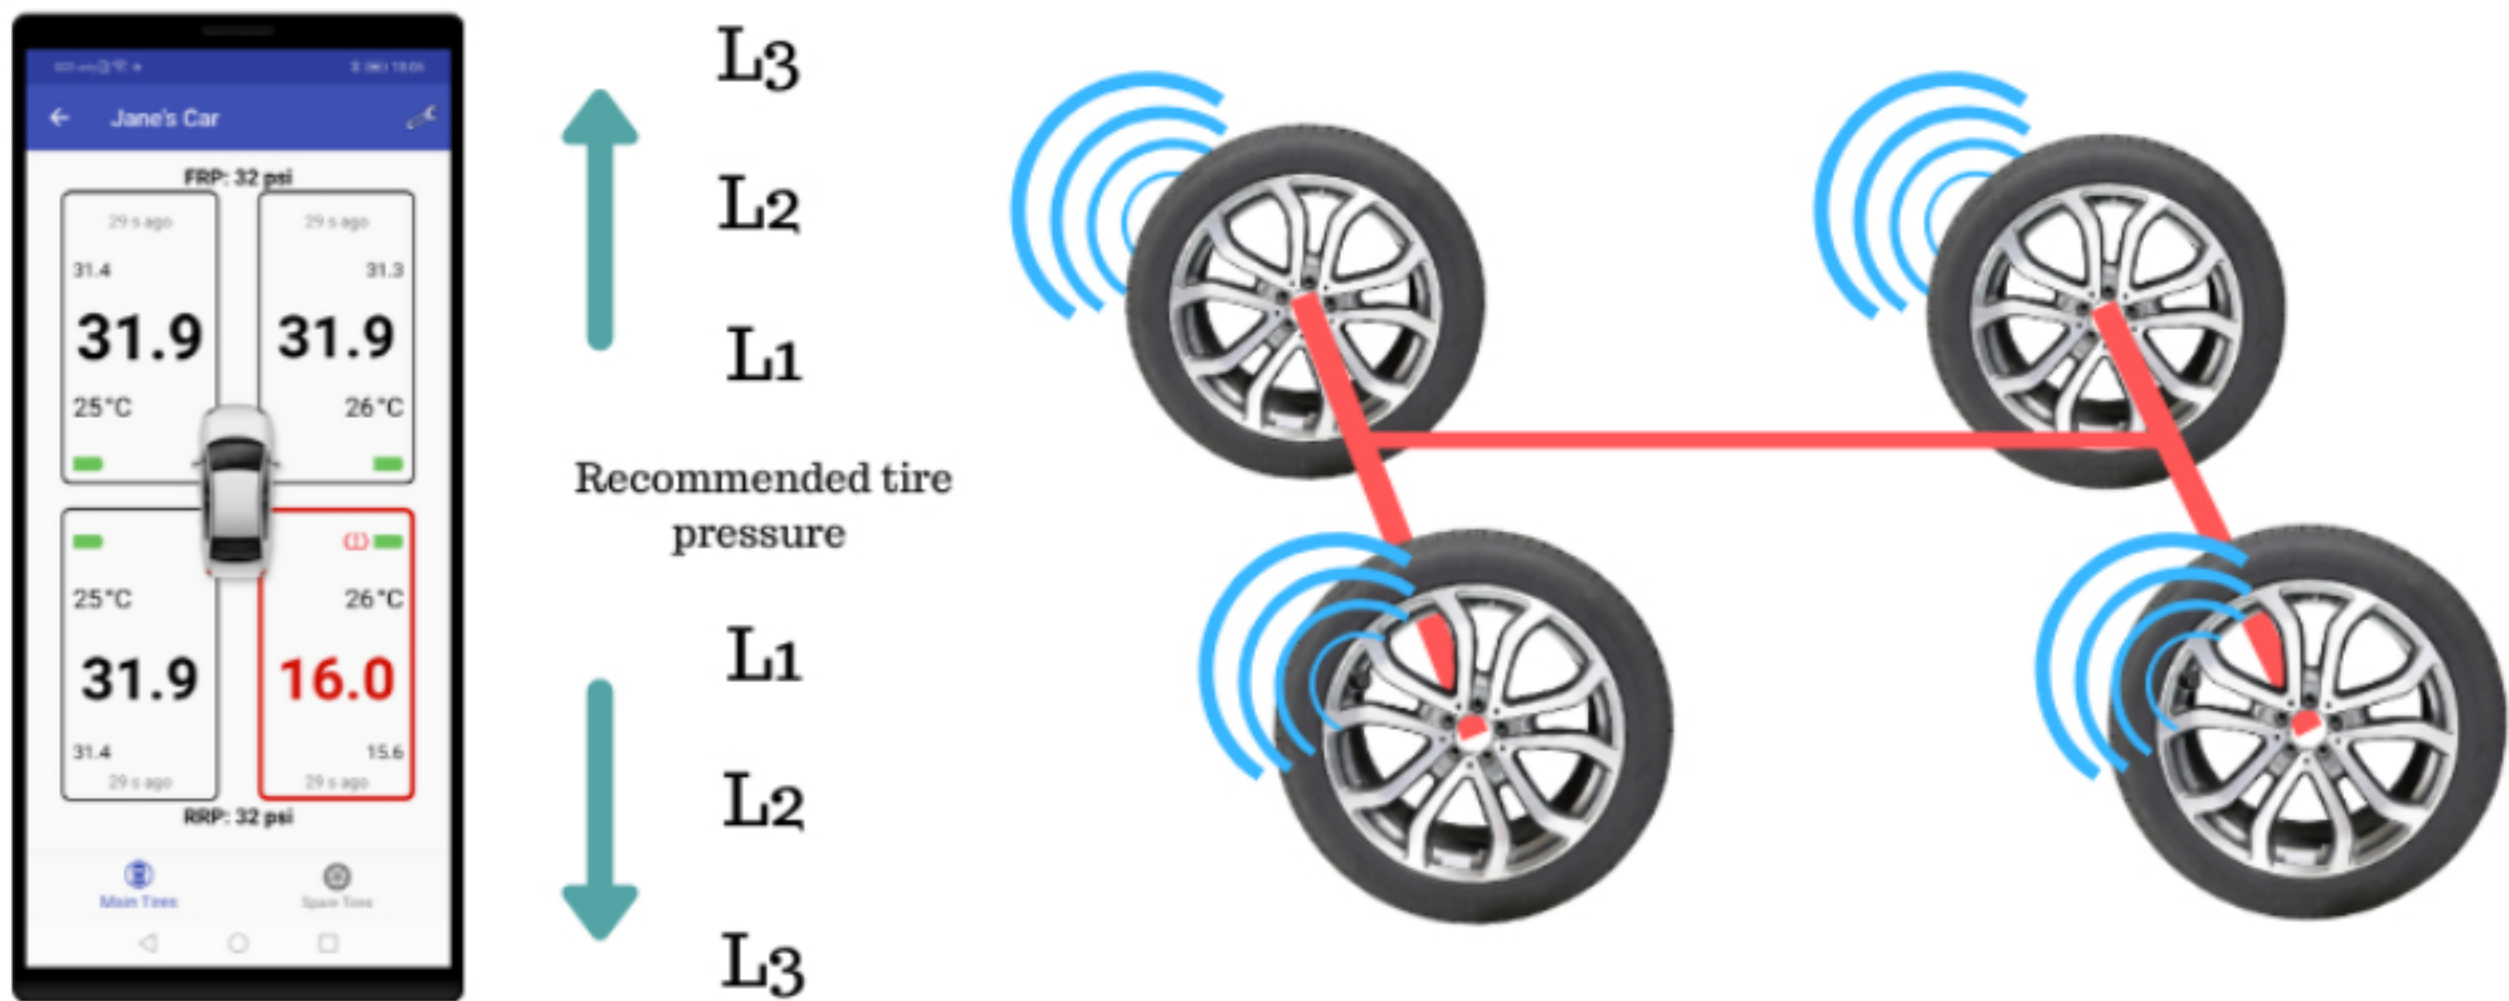

Seamless Swap from One Smart device to another (CrossPair™)

The patented CrossPair technology enables a seamless swap from one smart device to another to monitor FOBO TIRE 2.

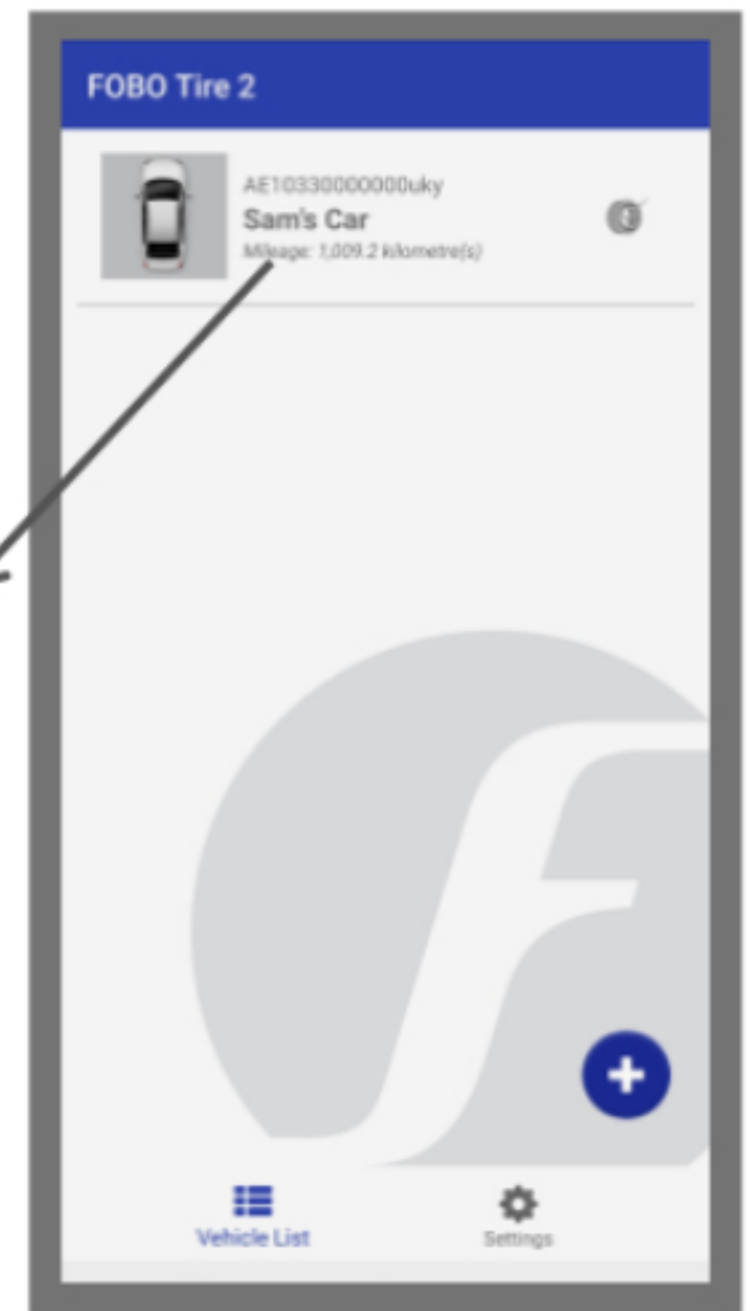

This feature is useful when changing to a new phone or just simply swapping to a different phone. All installed FOBO TIRE 2 profiles will be transferred to the new device, without the need to individually pair and install again.

6-level smart alerts for tire pressure breach

You have several jobs to track; let us track one for you - MILEAGE

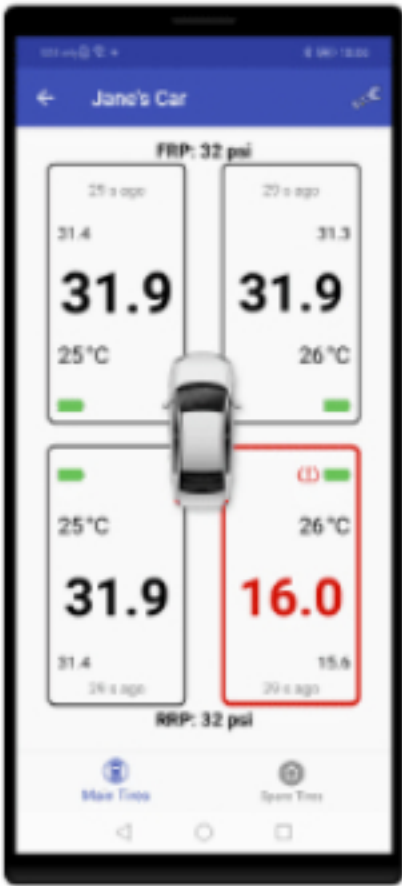

Mileage: 1,009.2 kilometre(s)

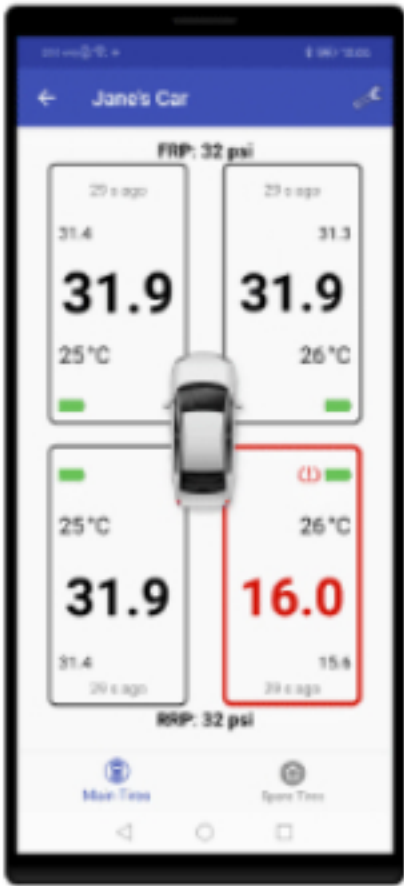

FOBO TIRE 2 App allows you to track mileage of the tires.

Auto Synchronization

All readings are shared amongst authorized users
