Key features & message hierarchy

Shop on the spot with Woolworths Shopping App*

Order groceries directly from Woolworths any time using the Woolies shopping App, straight from your Family Hub! With unlimited access to recipes through the app, you'll never have a boring meal again!^

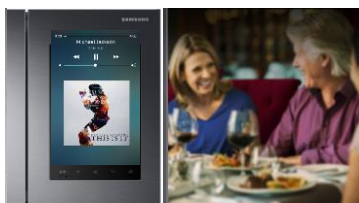

See what's inside your Fridge anytime!*

With Family Hub you can create shopping lists and view inside your fridge from your mobile phone. This way you won't forget an item at the grocery store.

A Shared Family Device

Customise your home screen with wallpapers or add/ delete apps and widgets. You can also create profiles for each family member (upto 6) with customised avatars to sync calendars, update memos and to-do lists on your Family Hub.^

Home & Entertainment

With a built in speaker system , access music with apps like Pandora, Spotify and Tune-in Radio while you cook or watch your favourite cooking shows with TV Mirroring for entertainment at your fingertips!~

*Compatible with phones with Android 4.0 and higher or iOS 7.0 and higher. Requires internet and download of Smart Home App.

^Family Hub™ requires an internet connection. Apps and services are subject to change without notice.

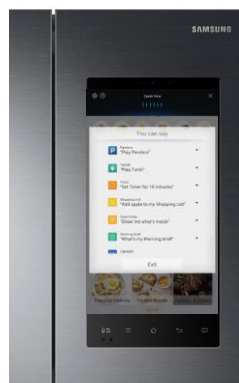

~Apps and services require an internet connection and are subject to change without notice. Screen / TV mirroring requires a separate compatible device.

#Compatible device required. App and services requires an internet connection and is subject to change without notice.

Share your family memories with Photo Album

Upload photos anytime and share updates with the family from your holiday remotely directly to your Family Hub home screen. #

The joys of a "Talking Fridge"

Enjoy the convenience of voice-activated controls! Add items to your shopping list, play music through the music apps, set timers or search the internet, all with your voice!

Voice functionality will be available via a software update from Oct 2017.

#Family Hub™ requires an internet connection. Apps and services are subject to change without notice.

Additional key features & benefits

Smart Flexible Entertainer's Drawer

With four pre-set temperature settings and space storage options, the mid-drawer can be optimized for fresh meat, poultry and fish, chilled beverages, deli foods or wine.

Separate Cooling Systems with Twin Cooling Plus™

Twin Cooling Plus™ with separate cooling systems in the fridge and freezer helps maintain temperature control and minimise the mixing of odours.

Sleek Flat Design in Black Layered Steel Finish

The new Flat Door design is the ideal combination of aesthetic simplicity and design utility.

Auto Fill Water Jug w/ Infuser

Enjoy a refreshingly cool drink anytime with the auto-fill jug. There is even an infuser to flavour drinks with your favourite fruits and herbs.

EZ Clean Layered Steel
Stylish, easy to clean black layered steel finish.

LED Lighting
With multiple Interior LED Lighting inside the Family Hub, anyone will be able to grab a midnight snack.

10 Year Parts Warranty
On the Digital Inverter Motor^
