## 7 CUP FOOD PROCESSOR

**EASY TO USE** Twist-free lid and base, multi-purpose blade, reversible slice/shred disc, and paddle controls make food prep a breeze.

**EASY TO CLEAN** Smooth finishes and rounded transitions make parts and accessories effortless to clean.

**EASY TO STORE** In-bowl storage and reduced footprint make it convenient to store and keep organised.

**FULL FUNCTIONALITY** Chop, shred, puree, slice, and knead with the multi-purpose blade and reversible 4mm shred/slice disc.

**SIMPLE CONTROLS** 3 speed options (high, low and pulse) to handle a variety of ingredients with precision. The easy-press paddles and illuminated LED controls make operation simple.

**CHOP, PUREE, SHRED AND SLICE** Everything from cucumbers to tomatoes, cheeses and more with the reversible medium slicing/shredding disc or multi-purpose blade.

**A VARIETY OF SHAPES AND SIZES** Can be processed in the 2-in-1 feed tube located on the lid. The small pusher features a small oil drizzle opening for emulsifying sauces and dressings.

**2 YEAR REPLACEMENT LIMITED WARRANTY**
