## **SAMSUNG**

## The Freestyle Portable Projector

Unexpected joy everywhere, turn your wall or celling into a big screen. 1

## **Top Features**

**Instant Setup** 

The Freestyle automatically corrects skewed images for a straight, rectangular screen. All you have to do is turn it on. It automatically focuses for a sharp, clear image in seconds. So you can just focus on the content.

100" Full HD Big Screen Experience

Make your own home theatre with 100 inches of brilliant picture quality. The Freestyle can project screens from 30 inches up to an incredible 100 inches. <sup>2</sup>

Premium 360 Sound

The Freestyle's powerful built-in speaker delivers rich 360degree sound, so you'll get an immersive audio experience from wherever you're sitting. <sup>3</sup>

Samsung Smart Experience

Easily access and navigate your favourite apps and services with a click of a button from the Samsung Smart Menu. 4

<sup>&</sup>lt;sup>1</sup> Image quality will vary depending on quality of the source content, lighting conditions, environment and setup. Recommend projecting on a flat white or bright monotone wall in a dark room. Freestyle must be connected to power outlet or a compatible battery pack (50W/20V) with USB PB to operate. See <a href="https://www.samsung.com/au/the-freestyle/third-party-powerbank-compatibility-list/for compatible battery">https://www.samsung.com/au/the-freestyle/third-party-powerbank-compatibility-list/for compatible battery</a> packs. External battery sold separately.

 $<sup>^2</sup>$  The Freestyle must be 79.5cm from the wall to project a 30" image and 260.4cm from the wall to project a 100" image.

<sup>&</sup>lt;sup>3</sup> Audio quality may vary depending on environmental characteristics (e.g. room size and ceiling height) and quality of source content.

 $<sup>^{4}</sup>$  Internet required. Data and subscription charges may apply. Apps may be subject to change without notice.
