

Powerful

Powerful steam

Boost reaches up to 90g/min steam output for stubborn creases or heavy fabrics. With the 2 steam levels - reach up to 30g/min continuous steam or use light mode for easy to de-wrinkle fabrics.

Efficiently de-wrinkle

Heated plate technology: no condensation, clothes are ready to wear immediately. Combined with no temp settings, de-wrinkle even the most delicate fabrics with no risk of burning or shining.

Clean from hair, lint and dust

A smart reversible pad to clean all textiles even the most difficult impossible to wash, with a hair/lint remover on one side and microfibre on the other to get rid of small dust in textile.

Ready in a flash

Ready to use in just 25 seconds, for fast and efficient session in your daily rush.

Uniqueness

Our most powerful steamer to take care of all your garments.

The exclusive microfiber pad accessory is to remove dirt and dust on all your garments.

Accessories included:

NEW MICRO-FIBER BRUSH

Door Hook

Fabric Brush

Steam Bonnet

Convenient

Soleplate

Our cast aluminum soleplate with ceramic coating heats up in 25 seconds and allows for both vertical and horizontal steaming for ease of use.

Steam non-ironable items

The steam bonnet protects the most delicate textiles and items, to enjoy the 100% natural sanitising effect of steam on any material.

For all garment textiles

The new microfibre brush and fabric brush allows you to sanitize, de-wrinkle and clean all your garments such as pants, shirts and jackets.

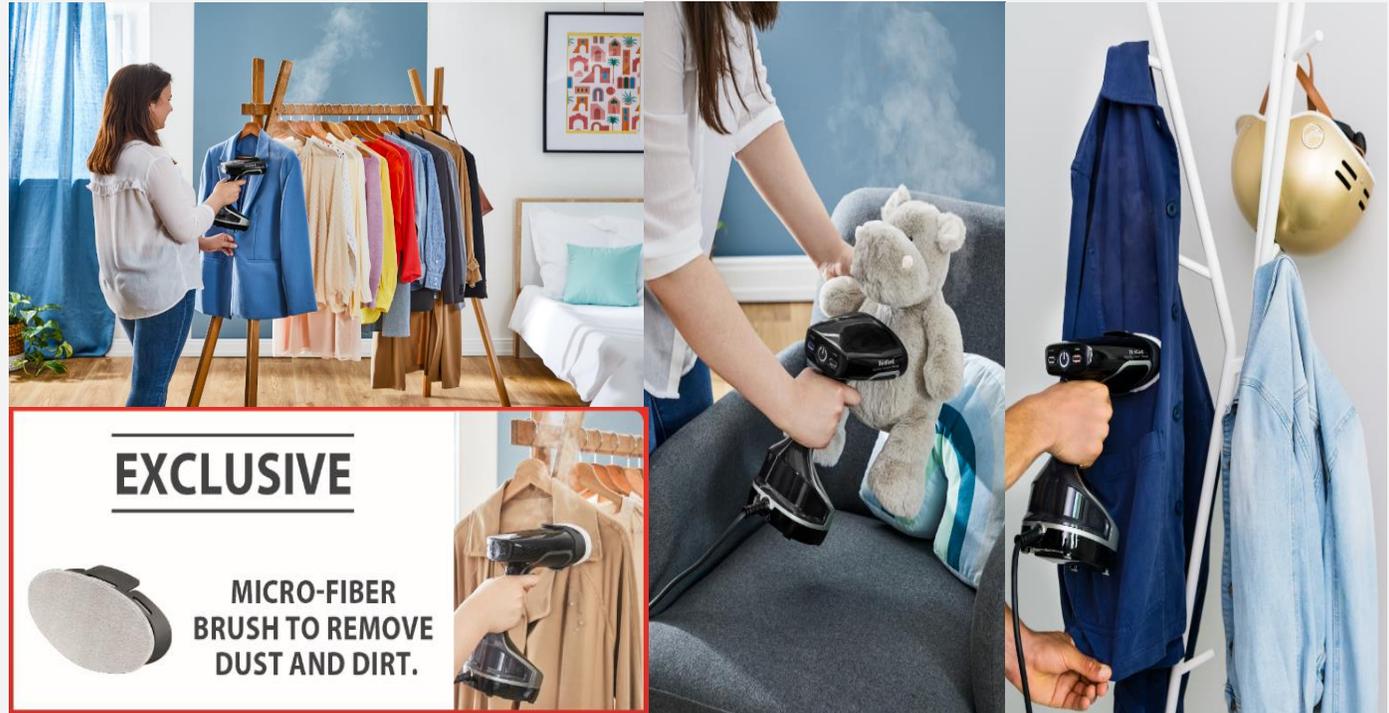

No ironing board needed

Thanks to its revolutionary design and single vertical movement, achieve your sessions with no need for an ironing board.
