

Key Features

- 1 Slim Fit design for standard Australian kitchens.²
- 2 Twin Cooling Plus™ independent cooling.
- 3 Convenience of a non-plumbed free water dispenser.
- 4 Large capacity, 'big bottle' door bins.
- 5 Large capacity, deep crispers to fit it all in.
- 6 Anti-Fingerprint Finish helps keep things clean.
- 7 Power Cool / Power Freeze for quick drinks & ice.

- 1 **Fits in and stands out.**
Sized for Australian Kitchens²
Slim Fit design for a standard 1800mm high / 900mm wide cavity, common in many Australian kitchens.²
- 2 **Lock in freshness. Kick out odours.**
Twin Cooling Plus™
Our Twin Cooling Plus™ technology cools your refrigerator and freezer separately, to help maintain temperature and optimal humidity and help minimise the mixing of odours.¹
- 3 **Chilled water, straight from the door.**
Non-Plumbed Built in Water Dispenser
Install without calling the plumber, and enjoy chilled water, straight from the fridge door.³
- 4 **Keep big bottles close at hand.**
Big Bottle Door Bins
Keep large bottles and jugs within convenient reach with the large capacity door bins. Plenty of room for those BIG 3L milk and 2L soft drink bottles.
- 5 **Keep it all crisp.**
Big Crispers
Large capacity, Big Crispers maximise fresh fruit and vegetable storage. Stock-up to have your favourites always on hand.

6

Helping hand to keep things clean.**Anti-Fingerprint Finish**

Helps discourage fingerprints on the external surfaces of the fridge, to keep things in tip top shape.

7

Fast, cold, blast.**Power Cool / Power Freeze**

Power Cool blows intensely cold air into the fridge, so foods and drinks are chilled quickly. And Power Freeze delivers a fast blast of cold air into the freezer. It's great for freezing or firming up frozen food, like ice cream, and making more ice.

8

Ice on demand.**Auto Ice Maker**

Ensure that you always have plenty of ice to stay cool when the weather is warm with the Auto Ice Maker, you can dispense a large quantity of ice cubes on demand.⁸

9

Easy access slide out drawer.**Freezer Drawer**

Generous freezer drawer allows you to stock up on everyone's favourites, with easy slide-out access.

10

See it all.**LED Lighting**

Find ingredients easily, while saving space with high-efficiency, long-lasting LED lighting.

11

The quiet achiever.**Digital Inverter Technology**

Enjoy energy efficiency and long-lasting performance. The Digital Inverter Compressor intelligently adjusts operating speed in response to cooling demand and is backed by a 10 year limited parts warranty* to give you peace of mind.¹¹

**Optional External Water Filter for Ice Maker****Keep things fresh.****Water Filter - HAFEX**

Samsung water filters, using high grade carbon block, help remove numerous substances which may be present in your water such as chlorine, microbial cysts, heavy metals & chemicals - common industrial substances with high toxicities that can infiltrate the water source.¹²

¹ Based on testing comparing Samsung Twin Cooling Plus with Samsung All Around / Mono Cooling Systems.² Fits a standard 1800mm high / 900mm wide cavity. Please review full fridge dimensions to determine suitability.³ On demand water from the dispenser is subject to the container being re-filled.

Bisphenol A (BPA) is found in polycarbonate plastics and epoxy resins, which are often used in food and beverage containers, and has been linked with possible adverse health effects.⁸ On demand ice from the auto ice maker is subject to the unit being plumbed.¹¹ See Warranty card or visit www.samsung.com.au/support for full details.¹² Tested according to NSF/ANSI for the reduction of Chlorine, Taste and Odor Particulate Class I; and against NSF/ANSI Standard for the reduction of Lead, Asbestos, Cyst, Turbidity, Atrazine, Benzene and Lindane.

498L FDR 3 Door with dispenser, Stainless Steel
