MULTI OVEN AIR

A Healthier Way to Fry

The Power Convection system creates quick, crispy, golden results every time with little to no oil thanks to the precise heat elements and fan which rapidly circulate hot air evenly around your food.

Ultimate Versatility

With 9 Pre-set Cooking Functions whether you want to make a pizza or back cookies, will help take the guesswork out of cooking.

Heat Lock System

Maintains the temperature inside while emitting up to 50% less heat off the double glass door with the added benefit of a gasket to seal in the heat.
