**Voluntary Recall: Kenwood "Julienne" disc for Food Processor Models FPM810
that were manufactured from January 2019 through December 2021
(Costco Item #120722)**

As a precautionary measure, Kenwood launched a voluntary recall regarding the so-called "**Julienne**" **disc** for our food processor models **FPM800** and **FPM810** that were manufactured from January 2019 through December 2021. Other discs or other food processors are not affected.

Hazard:

It cannot be completely ruled out that parts of the "Julienne" disc could detach during use, creating a potential ingestion risk.

Remedy:

Please stop using the "Julienne" disc.

Visit the following website to verify if your disc is potentially affected as well as to register for a free-of-charge replacement "Julienne" disk sent directly to your home and dispose of the affected/old "Julienne" disc.

Please follow the steps in the following link to check your food processor and disc.
